Ghost Recon Alpha The Ghost Recon team has been called into one final mission: find the traitor within their own ranks. For these soldiers, their mission is the equivalent of a suicide mission. The story begins in Moscow, Russia, where the team, led by Ghost Leader, infiltrates a trade mission to capture a human trafficker who is working with a general and a mysterious other figure. Being ghosts, this isn't their first undercover assignment, and they aren't expecting to fall in love, but at least their missions aren't children's books with good guys and bad guys. Ghost Recon: Alpha is a futuristic military videogame set in an open world environment in 2 or more offline/online scenarios on a single or multiple story basis.
